

# Clathic House

Clathic House is a 19th century listed house and has been described as "one of the most beautiful houses in Perthshire". It is the family home of Jamie and Miranda Landale who have recently renovated the house to make it a stunning, warm, family home which is ideal for entertaining. At the heart of the house is a beautiful indoor courtyard maintaining Clathic's original walls. The relaxed elegance of the house makes it a charming venue to host all types of functions and events. The courtyard is able to seat up to 80 people for lunch or dinner.

As owner of Wilde Thyme Caterers and Event Managers, Jamie is able to create for you a unique event. Menus and theming for any occasion from gala dinner to corporate meeting would be individually created and an event manager would guide and help with suggestions to make sure you have the perfect event.

Set in 250 acres of beautiful Perthshire countryside there is plenty of ground to host outdoor group events and we would be happy to help you arrange quad biking, land rover tours or a mini highland games.

There is also a magnificent walled garden and orchard which would be perfect for a marquee to go in.

This special house is only 1 hour from Edinburgh or Glasgow and 20 minutes from Gleneagles Hotel, it is the perfect place to hold your event.
